

Even SUPER HEROES need HELP!

With FMUs not allowed to operate during lockdown, Wilderness has often been saved from a serious fire threat thanks to a VOLUNTEER fire fighting unit in Wilderness Heights: **FirstCare Wildfire Support**. They rely on donations to keep vehicles fuelled, equipment maintained, etc. **To show your appreciation of their support, please support them!**

HELP PREVENT 100 MILLION PUPPIES!

Yes you read right! The Garden Route SPCA needs to raise **R650 000** to sterilise 1500 animals. Only through sterilizations

can the population explosion be slowed down and with it the cases of cruelty and neglect. **ONE** female dog and her unsterilized offspring can produce over **67 000** puppies in just 6 years! It is impossible to find safe, cruelty free homes for all these animals. **So mass sterilizations are the only answer.**

If 3,000 animal lovers could donate R200 each, the SPCA can do it! Donate to:
